

Back To School During Covid-19

The health and safety of our students, their families and our staff continues to be one of our highest priorities during this time of uncertainty. Listed are some of the protocols we have in place.

- Our school will offer parents the option of physical or virtual school.
- Health/temperature checks will be performed before entering building
- Only staff and students will be permitted in the building
- Classrooms are set up with desks 6 feet apart
- Students and staff must wear masks
- Social distancing will be upheld throughout the building, hallways and patio
- Transitions between classes will be reduced to a minimum. Students will remain in the same classroom all day, teachers will rotate (3rd – 12th grade)
- Cafeteria has maximum of 35 students at a time
- Students are encouraged to wash hands frequently
- Students must purchase a refillable water bottle (\$5.00)
Drinking fountains shall only be used for filling bottles
- Remind app will be used to communicate with families
- Virtual classes will be broadcasted via Zoom, while live lessons are being given. Attendance will be taken at every zoom class.
- Physical Education will pertain of individualized activities (Please provide a jump rope and 3 small bean bags in labeled Ziplock)
