New Classroom App

Introducing **BrightWheel** App in our Early Learning Program.

Check-In and Check-out

Attendance is very important, as well as accurate record keeping. These records are used during fire drills and in case of emergencies. Parents can use the App to mark your child present every morning and sign out upon pick-up.

Contact Information

Now it will be easy to update your contact information. Add or delete authorized pick-up persons or telephone numbers.

Coming Soon

Pay your tuition on the app. You can set up automatic payments or make Credit card payments using the App.

Communication

You can receive up to date access to your child's progress. With this App teachers can send you pictures and notifications of your child's day.

Daily Routines

Know how your child's day went. How many wet diapers or BM's. Know if they ate their lunch or snacks. How they felt during the day.

Celebrating Over 30 Years of Academic Excellence!!
