

The Creative Curriculum[®] for Infants, Toddlers & Twos

At Our Lady of Charity School, we utilize The Creative Curriculum which balances both teacher-directed and child-initiated learning, with an emphasis on responding to children's learning styles and building on their strengths and interests. This is one of the Country's leading research-based preschool curricula that apply the latest theory and research on best practices in teaching and learning and the content standards developed by states and professional organizations.

- CC offers daily opportunities for teachers and caregivers to use assessment information to individualize routines and experiences for young children.
- CC provides built-in guidance for building the kind of meaningful partnerships with families that are an essential factor in how infants, toddlers and twos experience your program and how much they gain from it.
